Type of Program	Days Available	Class Time	Tuition
META EDU-Vacation	Monday - Thursday	9:00am – 1:30pm	CALL for DETAILS

The EDU-Vacation Program's goal is to provide an effective intensive immersion English education experience targeted for tourists who wish to focus on communication goals and spend a majority of their afternoon and evenings doing non-academic activities and so therefore cannot complete extra work outside the classroom.

The EDU-Vacation Program has more multimedia interaction, games, and age appropriate activities including grammar, reading and writing in a smaller amount mixed in seamlessly with the speaking and listening curriculum. EDU-Vacation classes have presentation methods, practice activities, and assessments that are effective for false-beginner through high-advanced students who need social language skills.

To achieve the EDU-Vacation Program Goal, the EDU-Vacation Program includes one course per day, which is based on the METAFLEX Semi-Intensive course.

EDU-Vacation Program classes can be taken on any day between Monday and Thursday during the morning. EDU-Vacation Program classes will move at a slower pace than the META Intensive classes due to time restraints.
